Dear Mr. Bennett,

Special Branch S.1. Report dated 22nd November 1940 regarding Bruno Pribram and Luise Koslowski.

In view of the reference to the British authorities in connection with the question of immigration permits for Bruno's son and Luise Koslowski in the penultimate paragraph I should perhaps explain that we are not aware of any particular grounds for suspicion against these people, and, as far as we know, the instructions from home were due to normal immigration restrictions rather than to any question of the persons' standing. We had therefore no idea or intention of suggesting (see my letter to Mr. Yorke of 28th August) that these people ought not to be afforded facilities to proceed to Shanghai.

Should, however, any adverse reports come to our knowledge, we of course shall be glad to inform you.

Yours sincerely,

Passport Control Officer.

REPORT

Date November 22, 1940

Subject Bruno PRIBRAM - Communication from H. B. M. Consulate-General dated November 13, 1940.

Made by D. S. I. Pitts Forwarded by D. I. Crawford.

Bruno PRIBRAM, subject of the attached file, arrived in Shanghai from the United Kingdom via Canada and the United States in the ss. Nitta Maru on October 1, 1940. His passport, German 124R/583/36, issued in Berlin Charlottenberg on May 16, 1936 and valid until May 16, 1941, is now in possession of this office where it will remain for the next week before being returned to its holder. According to this document PRIBRAM was born in Prague on June 11, 1887 and by profession is a doctor of medicine.

An examination of his passport shows that he has travelled extensively in Europe and especially in the United Kingdom during the past four years. It is also noted that his passport does not bear the customary "J" but nevertheless he is a Jew. He speaks excellent English and appears well supplied with funds.

Luise KOSLOWSKI, also mentioned in the attached communication, has not arrived in Shanghai and according to PRIBRAM, she is still domiciled in the United Kingdom, where she acts as governess to his son also living in the U. K.

In view of the fact that the British authorities have stated stated they will not grant visas for reentry into the United Kingdom for either PRIBRAM or KOSLOWSKI and considering that PRIBRAM has already indicated verbally that he needs his son and his governess with him in Shanghai, it is respectfully requested that

the British authorities be asked to furnish details of any suspicions they harbour against PRIBRAM since the immigration permits for PRIBRAM's son and KOSLOWSKI have expired. It is not considered wise to renew them until it is clear that the persons named thereon are of good standing.

Bruno PRIBRAM is at present residing and practising surgery at Room 521 Palace Hotel.

Dear Mr. Robertson,

My letter of the 28th August and Special Branch report of 3rd September regarding Bruno Pribram and Luise Koslowski.

Can you let me have any further information regarding these persons as I understand they have arrived in Shanghai?

We were asked a few days ago by the "Shanghai Times" whether we could put them into touch with the "famous British lecturer, PRIBRAM", and we imagine the enquiry referred to Bruno Pribram. I enclose copies of advertisements which have appeared in the local press regarding E.E. and B.O.C. Pribram.

Yours sincerely,
